U.S. Citizenship and
Immigration Services

Your Guide to InfoPass

InfoPass is a free online service that lets you schedule an appointment with a U.S. Citizenship and Immigration Services (USCIS) immigration officer. You can go online at any time to schedule your appointment instead of requesting it in person   your local USCIS office.

How can InfoPass make your life easier?

- It's free! Scheduling your own appointment costs you nothing.
- It's convenient. Go to https://mv.uscis.gov/appointment to schedule your appointment online from your home computer, mobile device or the computer at your local public library.
- It's easy. Follow these simple steps:

     1. Choose your language. InfoPass offers 12 languages

- Form I-94, Arrival-Departure Record with affixed photo
- Any USCIS correspondence issued to
